## **Background and Overview**

JobOps is a suite of integrated modules for the award-winning Sage MAS 90 ERP and Sage MAS 200 ERP systems and is published by Synergistic Software Solutions, LLC, a wholly-owned subsidiary of BDO Seidman, LLP. More than 600 customers, representing over 7,000 end-users have selected JobOps to power their job management operations, service requirements and workflow

Synergistic Software Solutions was founded in 1983 to provide tailored software solutions for the small to mid-sized enterprise. Synergistic is among a select group of Master Developers for Sage Software, Inc. The company is based in Minneapolis, Minnesota and has a network of JobOps Solution Providers throughout the U.S.

## **Product Capabilities**

JobOps integrated solutions allow operational and financial information to work together and be accessible from a single source. JobOps delivers strong functionality to operations and finance — providing full-featured job management and tracking which can enhance a company's workflow.

Core functions of JobOps include estimating, orders, job planning, purchasing, scheduling, job costing and tracking and service capabilities. Optional modules include Data Collection, Configurator, Enhanced Scheduling and Field Service & Dispatch.

## **Strategic Partnership with Sage Software**

Synergistic Software Solutions is an Authorized Sage Silver Partner. We work closely with Sage in providing job management functionality delivered via JobOps specifically for Sage MAS 90 and 200 ERP software solutions.
